

Changes to National allocation table for the year 2020 pursuant to the Agreement between the European Union and the Swiss Confederation on the linking of their greenhouse emissions trading systems, and to the Commission Delegated Decision C(2020) 3107

Note: The values for 2020 are total. They include the initial allocation for the flights between EEA Aerodromes and the additional allocation for the flights to and within Switzerland. These values need to be inserted as updates in the National Aviation Allocation Tables XML file.
